Annual On-Site Sewage Installer's Meeting

Kingsford, Michigan, March 3, 2008 - The Environmental Health Division of the Dickinson-Iron District Health Department has scheduled its annual spring sewage installer's meeting for Tuesday, March 11, 2008. It will be held at the Mansfield Township Hall and will start at 9:00 a.m. C.S.T.

Sewage installers who attend at least one of the annual meetings prior to the renewal of their license will not be required to take the exam, as stipulated in the Superior Environmental Health Code Technical Manual. The department's Environmental Health clerk will be at the meeting to accommodate anyone who is interested in renewing their license.

Anyone who is contemplating installing on-site sewage treatment systems as a business is welcome and should attend this meeting. Also, anyone who has some type of affiliation with on-site sewage disposal systems is welcome to attend.

For further information regarding this meeting, contact the health department at one of the following telephone numbers:
