

PROJECT FRESH “UPDATE” (APRIL 29, 2009)

Project Fresh funding has increased and the state has notified us that we will receive additional coupon booklets.

We have revised our policy for the 2009 Project Fresh season, and will now be scheduling all interested WIC participant (except infants) for Project Fresh.

Distribution of Project Fresh coupons for WIC enrolled women and children will take place on **Tuesday, June 23rd** at 11am, 1pm, and 5pm for **Dickinson County**, at the MSU Extension Office, in the Crystal Lake Building, at 800 Crystal Lake Blvd. Distribution of Project Fresh coupons for **Iron County** will take place on **Tuesday, June 30th** at 1pm and 4:30pm, at the Iron County Health Department WIC Office. Please contact the WIC office in your county for an appointment (Dickinson: 779-7244 / Iron: 265-4173). There will be a limit of 1 booklet per WIC family unit.

Please bring your WIC folder / WIC EBT card to the coupon distribution. Babysitting services will not be available, so please make other arrangements for your children.

We apologize for any inconvenience that this change in our scheduling of Project Fresh may have caused. We are pleased with the increased funding that will allow us to distribute coupon booklets to more of our WIC participants.

We will post additional information about Project Fresh distribution on our web site at www.didhd.org, and on the bulletin board by the WIC Office at the Health Department.
