Immediate Release

The Dickinson-Iron District Health Department Advising Caution

Kingsford, Michigan – May 14, 2020. As of May 13, 2020, all Wisconsin bars/restaurants were able to open with no restrictions. The Wisconsin Supreme Court ruled the “Stay at Home” order was not valid. The Florence County Health Officer has signed an Executive Order that outlines details for businesses to follow to safeguard community members. The Dickinson-Iron District Health Department advises people to be very cautious if they are considering eating or drinking at an establishment that is not requiring proper social distancing or protecting customers and employees with proper safe guards. Please be advised that just because a facility is open does not mean that extra precautions should not be taken. Our local communities have made it to date with very few positive COVID-19 cases. The Dickinson-Iron District Health Department hopes that people will be considerate to protect themselves and all communities’ members.
